

# UNSW Canberra

An architectural rendering of a modern, multi-story building at UNSW Canberra. The building features a curved facade with a grid of windows and prominent red horizontal bands. The foreground shows a landscaped area with green trees, grass, and several people walking, suggesting a vibrant campus environment. The sky is clear and blue.

Professor Emma Sparks, Rector and Dean

# Building on our long presence in the ACT

---

- UNSW Canberra has been an education partner to the Australian Defence Force since 1967 & ADFA since its establishment in 1984
- UNSW is expanding operations into Canberra City, building from a specialist presence to city-wide impact

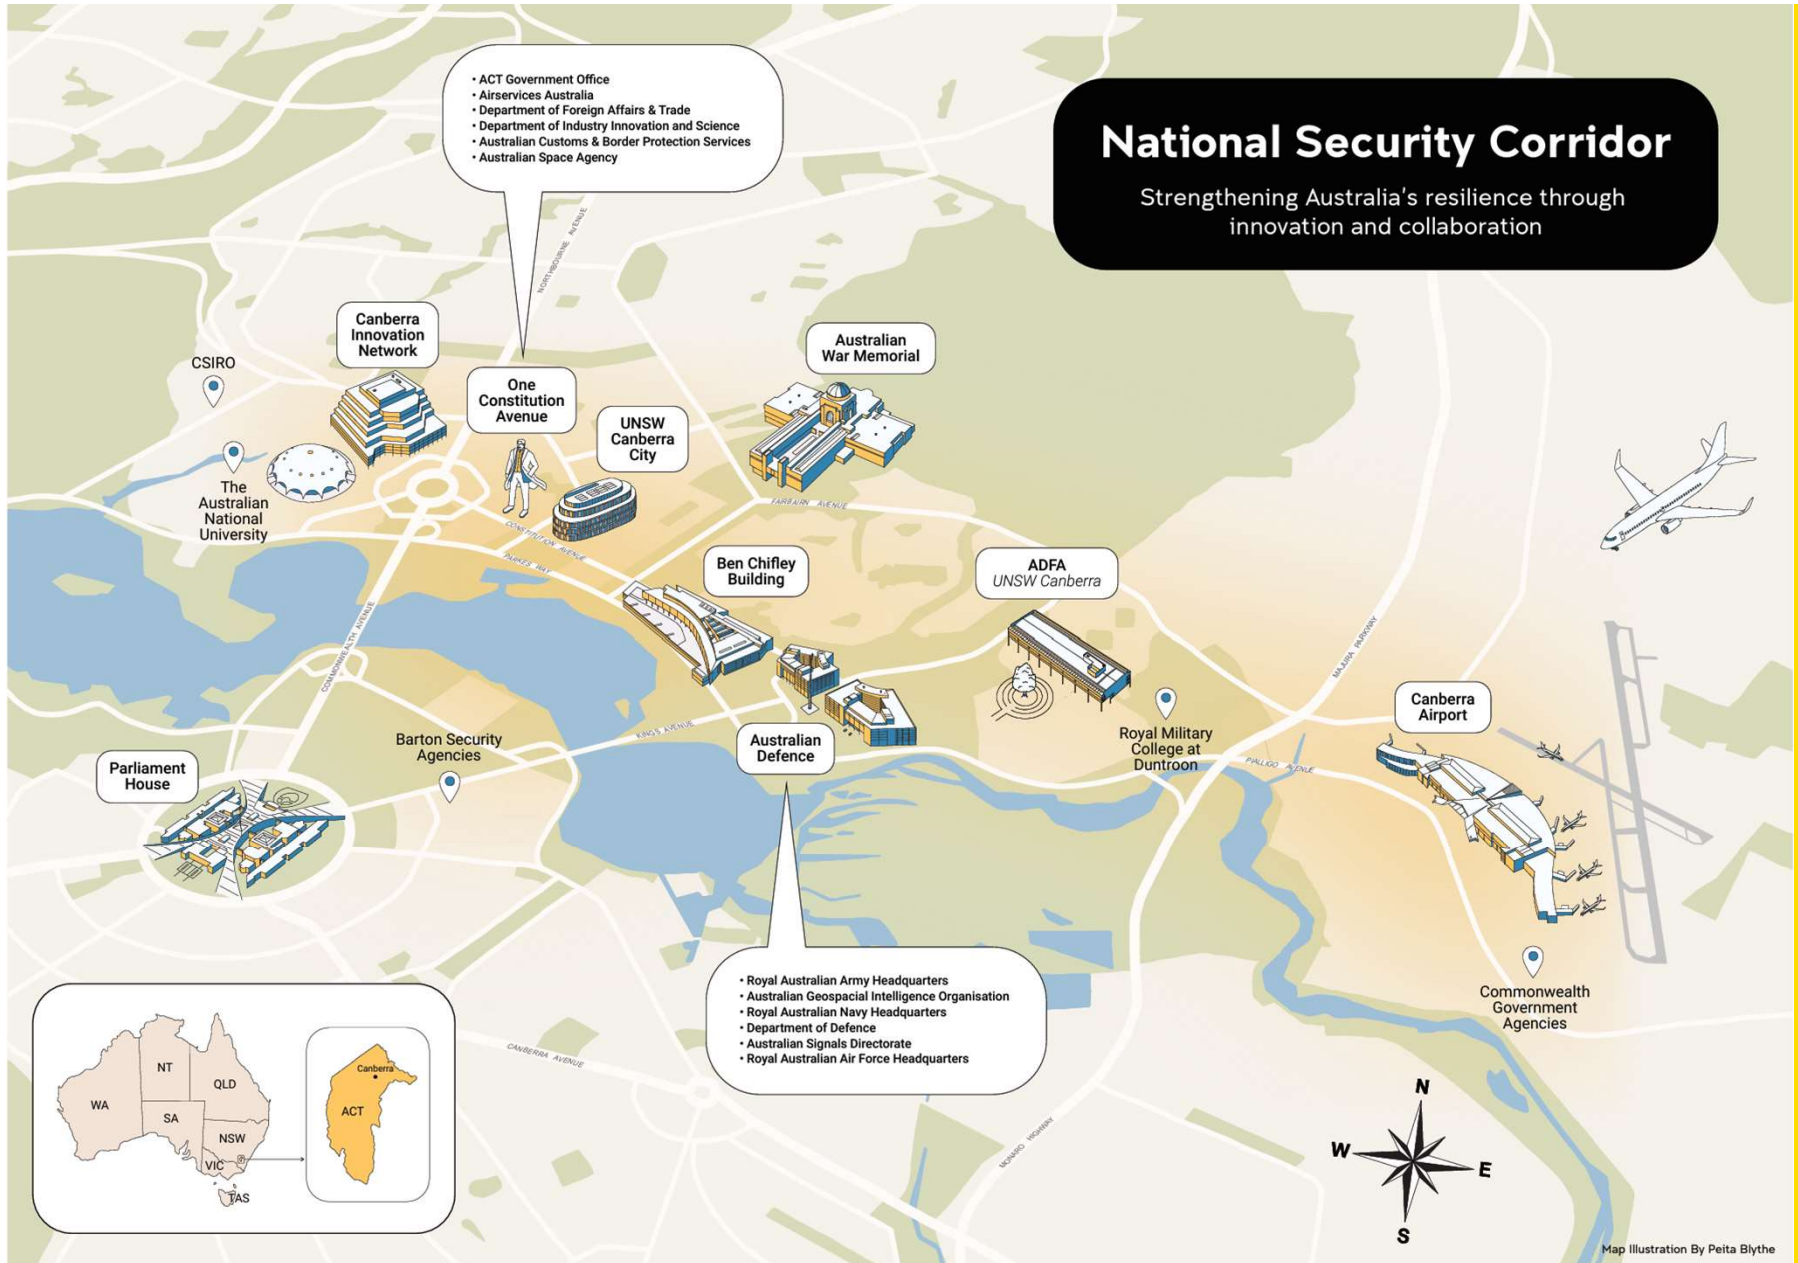

# UNSW Canberra City

# National Security Corridor

Strengthening Australia's resilience through innovation and collaboration

- ACT Government Office
- Airservices Australia
- Department of Foreign Affairs & Trade
- Department of Industry Innovation and Science
- Australian Customs & Border Protection Services

# UNSW CANBERRA CITY- INNOVATION COMMUNITY

PLACEMAKING

CURATION

INNOVATION TRANSFER

## ENABLERS

### UNSW FOUNDERS

Empowers students and staff to bridge the gap between innovative ideas and successful startups through specialised programs.

### THE CANBERRA INNOVATION NETWORK (CBIN)

CBIN is the heart of the city's entrepreneurial ecosystem. Through expert guidance and a supportive network, CBIN fosters and connects aspiring entrepreneurs from across Canberra to drive innovation and growth.

### KNOWLEDGE EXCHANGE

Transforms research into real-world solutions through partnerships and knowledge transfer.

### CAREER SERVICES

Guides students from their academic potential to fulfilling career paths through personalised support and skill development.

### ACT GOVERNMENT HUBS

Catalyse innovation and economic growth in the ACT by attracting businesses, nurturing talent and fostering collaboration.

### UNSW MAKERS NETWORK

Equip staff and students with the tools, knowledge and community to prototype their ideas and bring them to life.

### PLUS ALLIANCE: SECURITY & DEFENCE

Forges international partnerships and advances technology to safeguard a secure future.

### UNSW LAUNCH

Brings together industry, government, and academia to foster innovation and capability in the areas of defence and security.

# Bringing UNSW expertise to the ACT

**Highest number of new startups  
and spinout companies in  
Australia & NZ**

founded through technology developed  
at the University in 2023, SCOPR 2024

**Ranked Australia's Best  
University for Career Outcomes**  
AFR's Best Universities Ranking 2024

## New programs coming soon

# Thank you
